INTERNATIONAL COMMERCIAL ARBITRATION

The Arbitration Practice Team of Aina Blankson represents clients in high-stakes international commercial arbitrations around the world. Our members have extensive experience in investment treaty arbitration and a broad range of international arbitration rules, including the UNICITRAL Arbitration Rule, ICC Rule, Rule of the London Court of International Arbitration (LCIA), Arbitration Rules of the International Centre for Settlement of Investment Disputes (ICSID), Rules of the Singapore International Arbitration Centre, and the AAA International Rules for the International Centre for Dispute Resolution (ICDR). Our Arbitration attorneys have widespread industry knowledge, are intimately familiar with numerous different legal systems and cultures; and many have practiced law in both common and civil law jurisdictions. The group's clients include multinationals and industry leaders across a wide variety of businesses, investors, financial institutions, state-owned enterprises and national governments.

We work imaginatively and constructively to ensure that our clients' commercial objectives are met and that our clients' interests and reputations are protected. Our partners and staff are committed to providing clients with the highest standards of services, professional excellence and value for money. We seek to establish and maintain a high level of personal contact with our clients, to anticipate developments and to stretch ourselves to perform above our clients' expectations.

Working out creative business oriented solutions to disputes involves more than the arbitration proceedings itself, we bring to our clients expansive knowledge and wide-ranging experience with both arbitration and ancillary proceedings such as mediation. Our attorneys are highly skilled at mediation and other means to reach a negotiated solution where appropriate, but they do not hesitate to vigorously pursue arbitration awards if no mutually agreeable result is reached.

INTERNATIONAL ARBITRATION: OUR CUTTING EDGE

- **GETTING OUT OF COURT**
Companies may be sued, even in a foreign country, despite an applicable arbitration clause in the contract. Our attorneys have wide experience with removing cases from (foreign) courts and forcing plaintiffs to arbitrate instead. Even if there is no obvious applicable arbitration clause, we have successfully moved cases to arbitration through submission agreements or by applying arbitration clauses in ancillary agreements.
- **COST EFFICIENT**
Arbitration is cost efficient: our attorneys resolve most arbitration matters within a year, and many in less, obtaining significant savings over what it would have cost to litigate the matter. Nearly 50% of parties engaged in arbitration say it saves cost and feel it offers better value than litigation.
- **SEEKING AN EARLY RESOLUTION**
Our attorneys have extensive mediation experience enabling them to reach a favourable negotiated solution if the client decides such to be in its best interest. The vast majority of companies that explore mediation in resolving disputes report additional cost saving as a result.
- **AN EFFICIENT ALTERNATIVE TO LITIGATION**
Some cases need to be fought hard to the end, and we have successfully done so many times. Even then, flexible arbitration procedures, privacy of the process, ability to choose arbitrators, absence of lengthy appeals, and virtual world-wide enforceability of arbitration awards has enabled us to make arbitration an efficient alternative to litigation.
